Re: Response to April 17, 2009 Letter "Russian River" Water Purveyors

Dear Lynn,

The actual diversion by Occidental Community Services District in 2004 is as follows:

JUL 2004	1.093 MG	JULY 2008	0.971
AUG 2004	0.875 MG	AUG 2008	1.948
SEP 2004	1.093 MG	SEP 2008	0.636
OCT 2004	.0468 MG	OCT 2008	0.731

The average monthly service demand for the 84 services was 9594 in July 2008; 12,220 in August 2008; 11,240 in September 2008; and 11,240 in October 2008.

The District Board of Directors have scheduled a board meeting in May where shower heads, sink flow restrictors and conservation literature will be distributed to interested customers.

The District will also cooperate with the Occidental County Sanitation District rebate program.

Yours very truly,

  
Hal Wood
