

Water Efficiency Rebate Program

Save Water. Save Money.

The Water Efficiency Rebate Program was established to help you save water, save money, and protect your groundwater resources.

High-Efficiency Clothes Washer Rebate

Get up to \$75* back on the purchase and installation of a new, qualifying high-efficiency clothes washer (HEW). A new washer can use 40 to 60% less water and energy than older, top loading clothes washers. High capacity HEWs use 18 to 25 gallons of water per load compared to 50 or more gallons for top loading models.

Use less water, less energy, and less detergent while cleaning your clothes better and with less wear and tear. New HEWs also remove more water from laundry during the spin cycle so loads spend less time in the dryer. The savings all add up to a great deal that can pay for itself in a few years.

List of Qualify Models

Rebates are available for EnergyStar® Most Efficient designated clothes washers. For a listing of qualifying clothes washers, visit the EnergyStar® website: www.energystar.gov/most-efficient/me-certified-clothes-washers/ or call (707) 547-1918.

Not all EnergyStar® models qualify so be sure to check the list. Rebates are only available for clothes washers designated as “Most Efficient”. Models with silver ion technology are not eligible.

* Rebates available on a first come, first served basis through June 30, 2017 while funding lasts.

Serving Private Well Users in:

Petaluma River Watershed

Sonoma Valley Groundwater Management Plan Area

High-Efficiency Fixture Direct-Install Program

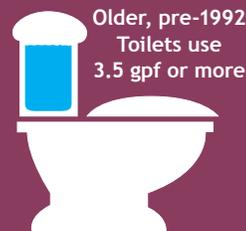

FREE high-efficiency toilets (HET) with free installation by a licensed plumber.

New HETs use as little as 0.8 gallons per flush (gpf). Replacing your older toilet saves water without sacrificing performance.

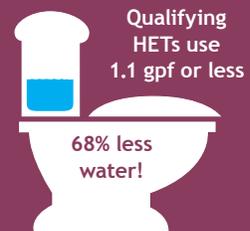

Eligibility

Toilets using 3.5 gallons per flush or more are eligible for replacement. In general, these are toilets that were manufactured before 1992. For more information, please visit: www.sonomacountywater.org/well or call (707) 547-1918.

HETs use a minimum of 68% less than the old 3.5 gallons per flush (gpf) toilets.

Older, pre-1992
Toilets use
3.5 gpf or more

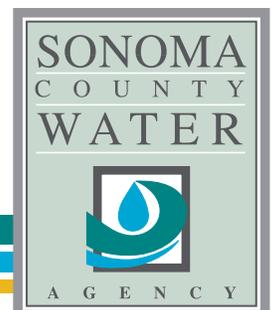

Qualifying
HETs use
1.1 gpf or less

Water Efficiency Rebate Program

APPLICATION FORM

How to Participate

1. Read and understand the Program Eligibility and Rules.
2. Determine if your home is located with the Petaluma River Watershed or the Sonoma Valley Groundwater Management Plan Area by viewing the map located at www.sonomacountywater.org/well or call (707) 547-1918.
3. Purchase and install your qualifying high-efficiency clothes washer (HEW) between July 1, 2016 and June 30, 2017. **Be sure that the model numbers match exactly** with those on the EnergyStar® Most Efficient List. HEWs with silver ion technology are **not** eligible.
4. Complete and sign the application form below and mail along with **original** purchase receipts/plumbers invoices to:

**Sonoma County Sanitation
Water Efficiency Rebate Program
404 Aviation Boulevard
Santa Rosa, CA 95403**
5. Please allow 6 to 8 weeks to process your rebate requests. Checks will be mailed to the address provided below.

Program Eligibility and Rules

1. Rebates are available July 1, 2016 through June 30, 2017 while funding lasts.
2. Your home's primary drinking water source is a private well and is located within the Petaluma River Watershed or Sonoma Valley Groundwater Management Plan Area.
3. Your new clothes washer has been installed at the property listed below and your rebate application is received or postmarked within 90 days of purchase or delivery. All purchases must be made between July 1, 2016 and June 30, 2017 to be eligible.
4. Incomplete applications and those without original purchase receipts will be returned.
5. For High-Efficiency Clothes Washers:
 - Your new clothes washer is an EnergyStar® Most Efficient listed model.
 - Your old clothes washer was properly recycled.

* Rebate amount can not exceed the cost of the HET or HEW excluding sales tax, delivery, installation or other fees, costs or accessories.
