

Notice of Public Meetings

Meeting Topic:

Sonoma Coast Hydrokinetic Energy Project

Dates and Locations:

March 16, 2010 – Del Mar Center, 40600 Leeward Road, The Sea Ranch, CA

March 17, 2010 – Jenner Community Center, 10398 Highway 1, Jenner, CA

Time:

6 p.m. – 8 p.m.

The Sonoma County Water Agency (SCWA) will hold two public meetings in The Sea Ranch, CA and Jenner, CA to discuss the Sonoma Coast Hydrokinetic Energy Project (SCHEP) and to receive public input.

On July 7, 2009, the Federal Energy Regulatory Commission (FERC) approved three Preliminary Permits that will allow SCWA to conduct feasibility studies for a hydrokinetic energy project at three locations off the Sonoma County Coast. At these meetings, SCWA will provide a formal presentation on current project information, discuss timelines and receive public input.

Comments may be submitted thereafter to the Capital Projects Manager of Sonoma County Water Agency, 404 Aviation Boulevard, Santa Rosa, CA 95403.
