

Water Efficiency Rebate Program

Save Water. Save Money.

The Water Efficiency Rebate Program was established to help you save water, save money, and reduce wastewater flows to your local wastewater treatment plant.

High-Efficiency Clothes Washer Rebate

Get up to \$125* back on the purchase and installation of a new, qualifying high-efficiency clothes washer (HEW). A new washer can use 40 to 60% less water and energy than older, top loading clothes washers. High capacity HEWs use 18 to 25 gallons of water per load compared to 50 or more gallons for top loading models.

Use less water, less energy, and less detergent while cleaning your clothes better and with less wear and tear. New HEWs also remove more water from laundry during the spin cycle so loads spend less time in the dryer. The savings all add up to a great deal that can pay for itself in a few years.

List of Qualify Models

Rebates are available for EnergyStar® Most Efficient designated clothes washers. For a listing of qualifying clothes washers, visit the EnergyStar® website: www.energystar.gov/most-efficient/me-certified-clothes-washers/ or call (707) 547-1918.

Not all EnergyStar® models qualify so be sure to check the list. Rebates are only available for clothes washers designated as “Most Efficient”. Models with silver ion technology are not eligible.

Serving:

Airport/Larkfield/Wikiup Sanitation Zone
Geyserville Sanitation Zone
Occidental County Sanitation District
Penngrove Sanitation Zone
Russian River County Sanitation District
Sea Ranch Sanitation Zone

High-Efficiency Toilet Rebate

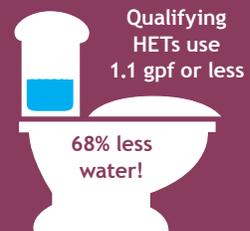

Get up to \$150* back on the purchase and installation of each new, qualifying high-efficiency toilet (HET) from the List of Qualifying Models.

New HETs uses as little as 0.8 gallons per flush (gpf). Replacing your older toilet saves water and reduces wastewater without sacrificing performance.

List of Qualify Models

Toilets on the list flush at 1.1 gpf or less (on average for dual-flush models). For the List of Qualifying Models, please visit: www.sonomacountywater.org/rebates or call (707) 547-1918.

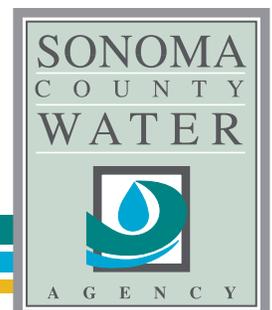

HETs use a minimum of 68% less water than the old 3.5 gallons per flush (gpf) toilets.

* Rebates available on a first come, first served basis through June 30, 2017 while funding lasts.

Water Efficiency Rebate Program

APPLICATION FORM

How to Participate

1. Read and understand the Program Eligibility and Rules.
2. Determine if your home is connected to a participating sanitation system - look on your property tax bill for a line item stating the sanitation district or zone you are connected to or call (707) 547-1918.
3. Purchase and install your qualifying high-efficiency toilets (HET) and/or high-efficiency clothes washer (HEW) between July 1, 2016 and June 30, 2017. **Be sure that the model numbers match exactly** with those on the List of Qualifying Models for HETs or the EnergyStar® Most Efficient List for HEWs. HEWs with silver ion technology are **not** eligible.
4. Complete and sign the application form below and mail along with **original** purchase receipts/plumbers invoices to:

Sonoma County Sanitation Rebate
404 Aviation Blvd
Santa Rosa, CA 95403
5. Please allow 6 to 8 weeks to process your rebate requests. Checks will be mailed to the address provided below.

Program Eligibility and Rules

1. Rebates are available July 1, 2016 through June 30, 2017 while funding lasts.
2. Your home is connected to a participating sanitation system.
3. Your new toilets and/or clothes washer have been installed at the property listed below and your rebate application is received or postmarked within 90 days of purchase or delivery. All purchases must be made between July 1, 2016 and June 30, 2017 to be eligible.
4. Incomplete applications and those without original purchase receipts will be returned.
5. For High-Efficiency Toilets:
 - Your home must have been built before 1992.
 - The toilets you are replacing are designed to flush at more than 1.6 gallons per flush (generally, toilets manufactured before 1992).
 - Your new toilets are on the List of Qualifying Models.
 - Your old toilets were properly recycled.
6. For High-Efficiency Clothes Washers:
 - Your new clothes washer is an EnergyStar® Most Efficient listed model.
 - Your old clothes washer was properly recycled.

* Rebate amount can not exceed the cost of the HET or HEW excluding sales tax, delivery, installation or other fees, costs or accessories.
