

**CORRECTION**

As I prepared the Milestone #4 report I realized I had mistakenly used an incorrect number for the August 2004 water usage. Please find the correct numbers below, in red, next to the incorrect numbers.

Here is the Palomino Lakes Mutual Water Company water use for the 2004 vs. 2009 August 1 - 31 periods;

	<u>corrected numbers</u>
- 2004.....1,775,440 gallons.....	1,833,934 gallons
- 2009.....1,315,580 gallons.....	<u>1,235,623 "</u>
Change..... (459,860) gallons.....	(598,311) gallons
Change... 26% reduction during this period.....	33% reduction
