Under the section C. of the REQUIRED CONTENTS OF SOQ SUBMISSION on page 00450-3, it states that "1. For products or materials listed in the "Major Products List" (see Section 01330 [Submittal Procedures]), provide description and location of manufacturing facilities, naming products and quantifying production capacity and current demand"

After reviewing section 01330, we were unable to location the "Major Products List" and am unclear about how to answer the question. Would the county please clarify?
