In the absence of a change in any term of the Contract Documents, the express terms of the Contract Documents shall have precedence. Bidder questions are listed below verbatim.

- A. We have questions as to how you plan to operate the high windows, type SF-3 and SF-11, which also have screens?

For your reference these windows are shown on the floor plan sheet A2.1 and on the exterior elevation sheet A5.1, west elevation.

May we offer a suggestion on Clearline Inc. Motorized Windows System. Please see accompanying sheet.

Owner's response: Bid per Bidding Documents.

- B. We are very interested in submitting a bid for the Westside Facility Project, however we just today discovered this project and as a result, missed the scheduled bid walks. Was this project advertised? Will there be another opportunity to attend a bid walk? This project is close to home for us and just the kind of work we specialize in. We'd appreciate the opportunity to submit a bid.

Owner's response: No additional Site Visits will be scheduled.
