1. Compliance Monitoring Unit (CMU) Effective Date and Applicability: The laws and regulations that govern the new program are effective January 1, 2012.
  2. The CMU is a new component within the Division of Labor Standards Enforcement (DLSE) that was created to monitor and enforce prevailing wage requirements on public works projects that receive state bond funding and on other projects that are legally required to use the CMU. The CMU began operations on January 1, 2012, following the recent adoption of AB 436 and approval of revisions to program regulations.
