

Sonoma Valley Water Workshop

On Thursday evening, October 30th please attend a forum to share your thoughts and ideas on water in Sonoma Valley.

Share your thoughts on topics like:

Priorities and visions for **creeks**. Engaging the **community**. **Capturing storm water** and **recharging groundwater**. A **sustainable groundwater supply** for Sonoma Valley. **Funding** ideas to create water supply resiliency. The connection between water in **creeks, wells, and your glass**.

October 30th, 6 - 8 pm
Sonoma Veterans Hall
